Snitterfield, 12th November 2025

Despite waking up to torrential rain, 13 of us turned up to a 4.10 mile circular walk from the Snitterfield Arms. Rain calmed down and we had a pleasant walk led by Bill which took in a small part or the Monarch's Way and to Welcombe Hills Country Park where we stopped briefly at the Obelisk for a coffee before returning to the Snitterfield Arms for a welcome drink and pub lunch where we were joined by a few other Heart of England Way members.
