Meriden 8th January 2025

Started the new year with 10 bright and eager members on freezing cold Wednesday morning. Bill led the walk from the Bulls head car park in Meriden, crossing the B4104 and on towards Four Oaks. Minor change to route as part of the section was flooded. On the return we pick up Alan's section of the HOEW leading to the Church at Church Farm, Meriden. Then following the road back in to Meriden.

Finished with a very enjoyable lunch at the Strawberry Bank.
