

Whitacre Heath 5th February 2025

Starting from The Swan at Whitacre Heath on a bright sunny day 9 of us set out for a four and half mile walk.

Following the HOE way south towards Shustoke Reservoirs, crossing over the railway line by the reservoir, then turning back north over the railway.

Stopping for a coffee break by Hill Farm before continue on through Nether Whitacre finally turning left back on to the HOE way and return to Whitacre Heath.

Excellent lunch at the The Swan.
