

Lapworth 07/08/2024

Ten of us met at The Navigation in Lapworth for a 4.3 mile circular walk. A pleasant walk organised and led by Bill which took, in part, some of the Heart of England Way in Baddesley Ensor. Weather was kind to us except for one short sharp shower. Once relieved of walking boots at the end, all ten of us went for a quality lunch at The Boot, Lapworth. An enjoyable morning walk with nice friendly company
